

# SUMMIT TOUR & TRAVEL GROUP INFORMATION FOR DISNEY MY MAGIC + MY DISNEY EXPERIENCE, DINING RESERVATIONS, FAST PASS PLUS & DISNEY MAGICBANDS

## **My Disney Experience:**

We strongly suggest that everyone downloads the App "*My Disney Experience*" on their cell phone at any time prior to the arrival of the group in Orlando. This will help them better plan their trip prior to arrival and better navigate each park while they are at *Disney*.

"*My Disney Experience*" is a free and fun digital guide to all there is to do at Walt Disney World Resort. It features interactive maps, attraction wait-times, and the ability to reserve access (with paid theme park admission) to some select *Disney* FastPass+ attractions, shows, special reviewing areas for evening fireworks, etc., *Disney* Character experiences, make Dining Reservations, plus much more!

We suggest that each person goes to the website to read what they can do and how to do it at: [www.disneyyouth.com](http://www.disneyyouth.com), click on "Enhance Your Group Trip With My Magic +", to read more about the "*My Disney Experience*" App & website. Groups are handled differently than individual reservations, so we suggest going to the fore mentioned website first and then enhance the information for each category by going to the websites listed under the Frequently Asked Questions page.

## **Dining Reservations:**

Many *Disney* restaurants require Dining reservations. Reservations may be made up to 180 Days prior to the reservation date by calling 1-800-WDW-DINE, "*My Disney Experience*" App and selecting the Dining Tab or by going to the website: [www.disneyworld.disney.go.com/dining](http://www.disneyworld.disney.go.com/dining). Guests are not permitted to make a reservation within 2 hours of another reservation. You must have a Credit Card in the name of the reservation in order to make dining reservations. There will be a "No-Show" Fee assessed to the Credit Card.

If you are staying at a *Disney* Hotel, you may make all the dining reservations for your entire length of stay 180 days prior to the arrival date at the hotel. If you are not staying on *Disney* property, you may only make dining reservations 180 days prior to the day you want the reservation and not for the length of stay.

12

### **FastPass+:**

Guests are allowed to sign up for 3 Fast Passes per day for one park only. They cannot get Fast Passes now for multiple parks per day until after the first three passes expire. Then, they can get one at a time at any park for the remainder of that day only. If they do not set up an account, they can still get 3 Fast Passes up to 60 Days prior to arrival with their *Disney* ticket number or at the special Fast Pass kiosks located throughout each theme park.

Once you receive your tickets from us when you arrive in Orlando or ticket numbers in the mail, if a person has set up an account on "*My Disney Experience*", they would put in their e-mail address and a password of their choosing for Fast Passes right on their phone by syncing their ticket number when they receive them from us with their "*My Disney Experience*" account. This can be done up to 60 days ahead of time if staying at a *Disney* Hotel and up to 30 days ahead of time if not staying at a *Disney* Hotel. **Final Payment must be made to Summit Tour & Travel by 90 days prior to arrival in order to get the ticket numbers mailed to the group before 60 Days prior to arrival.**

For Groups Staying At A *Disney* Hotel: A person must be 13 years old or older to set up their own "*My Disney Experience*" account, however, a person must be 18 years old or over to sync a ticket number to a MagicBand. Someone 18 years or older may sync a younger person's ticket with their own MagicBand account.

We suggest that each person goes to the website to read what they can do and how to do it at: [www.disneyyouth.com](http://www.disneyyouth.com), click on "Enhance Your Group Trip With My Magic +", then click on "FastPass+" to read the most current *Disney* policies.

### **MagicBands:**

If you are a Guest staying at a Walt Disney World Resort Hotel, you and your group will each receive a MagicBand at no additional charge that connects you to all the choices you make with "*My Disney Experience*". Use it as your room key, park admission (with paid theme park admission), access to your FastPass+ selections and more.

If you are a Guest not staying at a Walt Disney World Resort Hotel, each person in the group may individually purchase a MagicBand in many *Disney* Hotel & Theme Park Gift Shops, if they so desire.

**However, Disney Youth Programs & Summit Tour & Travel STRONGLY RECOMMENDS that the group DOES NOT sync their *MagicBands* with their tickets as it does not work well with Fast Pass for group tickets. USE THE TICKET ONLY FOR FAST PASS!**
